

Script for Grammarian

Thank you, Mister/Madam Toastmaster, Fellow Toastmasters, and welcome Guests!

As Grammarian, it is my responsibility to pay close attention to all speakers, listening carefully to their language usage. I'll take note of any egregious misuses of the English language as well as any luminous uses.

As Grammarian, it is also my duty to introduce the Word of the Day and device of the day. For today's meeting, the Word is _____, which means _____. [Point at the Word of the Day.] An example of using the word is _____.

And , the Device is _____, which means _____. [Point at the device of the Day.] An example of using the device is _____.

Each speaker is encouraged to use the Word of the Day and device. In order to qualify for Best Table Topic, you must use the word of the day and device in your response to the question.

I will give the grammatical usage report when called upon at the end of the meeting.
